Update: January 2014

HAPPY NEW YEAR FROM US ALL @ PORTWOOD POLICE STATION!

Are you aware of Southampton's Safe and Secure Homes Bobby Scheme?

Do you feel safe in your home or would you like a free home security and fire safety survey to assess the work necessary to make your home more safe and secure?

Hampshire Constabulary is working in partnership with Southampton City Council, Hampshire Fire and Rescue Service and Blue Lamp Trust to make homes in Southampton safe and more secure. The Bobby Scheme fitters will, by appointment, visit your home and provide advice and when required offer practical intervention on safety and security by for example fitting security devices and smoke alarms.

If you would like to be referred for a free visit from one of the Bobby Scheme fitters then please contact myself PCSO Holly Knight 15096.

Please remember that if you have any questions, queries, problems or issues then you can contact me on the below details, likewise if you have any events or meetings which you would like me to attend then please feel free to ask.
